

Alannah Cunard

Originally from Naples, FL, I moved to Dothan, AL in 2010. My family and I decided to relocate to Dothan to raise our 3 children. I currently work at Five Star Credit Union as the Financial Center Manager of the Downtown Dothan location and have been employed with Five Star Credit Union for 2 years. Prior to working at Five Star Credit Union, I was an area manager for a finance company for 8 years. I am very passionate about serving the youth in our community and helping them and their families with ways to utilize their artistic energy. As a child, I was a part of our local children's theatre in Naples, FL. Participating in the summer theatre, is something that I looked forward to every summer as a child.
